The United Nations Environment Assembly,

Recalling also General Assembly resolution 70/1 of 25 September 2015 adopting the outcome document of the United Nations Sustainable Development Summit, entitled “Transforming our world: the 2030 Agenda for Sustainable Development”,

Recalling further resolution 2/5 on “Delivering on the 2030 Agenda for Sustainable Development”,

Welcoming the invitation of the Economic and Social Council to the President of the United Nations Environment Assembly to provide substantive inputs on the contribution towards the 2030 Agenda for Sustainable Development,

1. Reiterates its commitment to convey the key environmental political inputs of its sessions to the High-Level Political Forum on Sustainable Development to support its function in the follow-up to and review of the 2030 Agenda for Sustainable Development;

2. Decides to provide, with the support of the Executive Director, timely inputs to the annual meetings of the High Level Political Forum on Sustainable Development, including during the period between the biennial sessions of the United Nations Environment Assembly;

3. Further decides that the inputs should take fully into account the annual themes of the meetings of the High Level Political Forum on Sustainable Development, and take into account relevant resolutions adopted by the United Nations Environment Assembly;

4. Encourages Member States to actively collaborate with the President of the United Nations Environment Assembly in the development of his/her input report to the High-Level Political Forum on Sustainable Development;

5. Requests the Executive Director to work closely with the General Assembly and the Economic and Social Council to ensure adequate feedback to enhance the process and content of the annual contributions of the United Nations Environment Assembly to the High Level Political Forum on Sustainable Development, and to report thereon to the Committee of Permanent Representatives on a biannual basis.
