REGISTRATION & BADGING

Onsite Registration and photo badges: On-site registration will begin within the UNON Compound on Thursday, 4 May 2017. Monday, 8 May registration will start at 7.00 a.m., other days at 8.00 a.m. All international participants will be required to show proof of identity with a valid national passport or in case of Kenyan nationals, an identification card, upon arrival at the registration area. More information

can be found on the GC26 website at: www.unhabitat.org/gc26-information-for-participants/gc26-information-package/ at the section on Information for Participants.

To avoid long queues on the day of the official opening, delegates are strongly encouraged to make use of the early start of accreditation and to come to the registration area to take their photo so that the badge can be issued before the opening day. For security reasons, delegates are requested to wear their badges at all times while in the UNON Compound.

MINISTERS AND HEADS OF DELEGATION

Ministers and Heads of Delegations will be issued with non-photo badges, provided they are pre-registered online and that an official Note Verbale from the Permanent Mission in that respect is presented at the point of collection. The note should state the name of the collector and the full name of the Minister or Head of Delegation (including passport number and designation). All other GC26 badges will be photo badges.

STAKEHOLDERS REGISTRATION

If you are a civil society partner, the rules require that your organization be accredited to either Habitat II, Istanbul+5 or to ECOSOC, please bring with you proof of your consultative status, or present your letter which confirms that your ad-hoc application for accreditation was accepted. All queries should be directed to Ms. Lucia Kiwala (Tel. +254 20 762 23025, email: Lucia.Kiwala@unhabitat.org). Only representatives of accredited stakeholders may attend the Governing Council.

MEDIA REGISTRATION AND FACILITIES

Media personnel who already have a valid United Nations grounds pass for Nairobi will not require additional accreditation for the meeting. All others will require United Nations accreditation. For this accreditation, media representatives will be required to present a letter of assignment, one form of valid identification (e.g. press card, ID, or passport) and proof of media affiliation. These items should be presented when registering for the Governing Council at the Visitors' Pavilion. A media registration desk will be available at the Visitors' Pavilion at the entrance of the UNON Compound. Media accreditation is still open and any related information can be forwarded to Jeanette Elsworth: Jeanette.Elsworth@unhabitat.org. In addition, if you would like to request any press events during GC week, please also contact Jeanette Elsworth.

PARKING AND SECURITY

All delegates are to disembark at the pavilion entrance and screened before entering the compound. Access to the UNON compound for the period of the twenty-sixth session of the UN-Habitat Governing Council will remain open to all official embassy vehicles that have been registered with UNDSS and drivers with valid UNON issued IDs. With respect to non-official vehicles used by delegations, only heads of delegations or ministers are to send details of the vehicles and driver in advance for a temporary meeting decal and driver pass to be issued. Embassies are encouraged to use Official vehicles with United Nations parking decals.

Parking of these vehicles is restricted to the delegates' parking area. Due to the limited parking facilities within the UNON Compound, it is preferred that embassy vehicles without diplomatic number plates limit their business within the compound to dropping off and collecting their passengers. Such vehicles should depart the compound immediately upon completion of such tasks.

Delegates who are accompanied by armed close protection officers into the United Nations compound are requested to send the following information to UNON Security in advance: Full name of each close protection officer, full name and title of each delegate being provided with protection, identification or credentials of each protection officer (passport, national ID card, etc.), copy of Government of Kenya firearms permit or temporary import/export firearms permit, and the weapon make, model, serial number, calibre, and number of rounds of ammunition.

The information should be sent to the United Nations Security contacts listed below:

General Security Tips for meetings and conferences

- Avoid crowded areas.
- When walking, keep to the main roads and avoid shortcuts down back alleys and the like. However, where possible, take a taxi rather than walking.
- Never walk at night in the city center even for a short distance – always take a taxi.
- Be wary of people loitering outside hotels.
- Stay informed: Read / listen to local media
- Cooperate with security apparatus when they conduct security operations. Carry Identification at all times
- Tell someone where you are going and when to expect you back.
- Have emergency numbers registered on your phone.
- Ensure your mobile phone is fully charged (especially when you leave to go to public places) and that you have sufficient credit to make calls.
- Ignore street children and people coming up to you in the streets with hard-luck tales. They may be pickpockets or part of an elaborate scam. The best thing to do is just to walk on and ignore them.
- Make use of the safes in the hotels, **DO NOT** carry large sums of money. Avoid carrying credit cards, wearing expensive jewelry, watches or the like when walking in the street.
- Do not accept food and drinks from strangers; visitors have been known to be drugged and then robbed.
