**Matters related to the work programme of the
Open-ended Working Group for 2016–2017:
scientific and technical matters: national reporting**

Draft decision OEWG-10/[...]: National reporting

Submission by the technical matters contact group

The Open-ended Working Group

1. *Agrees* on the following list of waste streams for which additional practical guidance on the development of inventories should be developed, provided that these are hazardous or other wastes:

- (a) Used-lead acid batteries;
- (b) Electrical and electronic waste;
- (c) Waste oils;

2. *Requests* the Secretariat to develop, within available resources, practical guidance on the development of inventories for the waste streams listed in paragraph 1 above to complement the methodological guide for the development of inventories of hazardous wastes and other wastes under the Basel Convention¹ for consideration and possible adoption by the Conference of the Parties at its thirteenth meeting.
